Product	Tilt and Swivel Wall Mount	Tab-Tite™ Tablet Holder	RAM® Tab-Tite™ Universal Spring-Loaded Holder	Therma Waterproof stainless-steel wall bracket
Device Compatibility	Samsung Galaxy Tab A9 11" Samsung Galaxy Tab A7 8.7	Samsung Galaxy Tab A9 11"	Samsung Galaxy Tab A7 8.7"	ETI Bluetherm One Probe
Code	TAB Tns3	TAB-BK2	RAM MOUNT U12	BTO-BK
Description	A wall mount with the ability to both tilt and swivel, offering a variety of display options. Quick and easy to install, all the necessary fixings are included. Screen can be adjusted right or left, upward or downward and can be rotary.	The holder attaches the tablet to the Tilt and Swivel. This is attached to a wall which allows the user to angle the tablet as required.	The spring-loaded holder secures the tablet in place for stationary use. The design makes it easy to load and unload the tablet if required.	The stainless steel, wall-mounted bracket lets you store your probe safely, wherever you need it. The bracket helps to prevent accidental damage. It has a simple wall fixing. Screws are not supplied.
