

Zebra ZD411 2-inch Desktop Printers

The ZD411 2-inch desktop printers include advanced features and connectivity options. They have five LED icons that allow you to instantly see what's needed to keep your printer up and running, from replenishing media to resolving printer issues.

The advanced three-button user interface replaces the typical single-button/single-light interface common in desktop printers.

ZD411 printers are easy to integrate, simple to operate and can be managed onsite or remotely via a web-based dashboard.

Colour-coded touch points and a new media-handling design guide you through speedy media changes to keep your printer operational and workers on task. Replace ribbon intuitively and quickly with less mess, hassle and training time.

Specifications		OPERATING	
Dimensions:	ZD411d: 220 mm L x 115 mm W x 151 mm H	Operating Temperature:	4.4° to 41°C
	ZD411t: 242.9 mm L x 138.7 mm W x 169.2 mm H	Storage Temperature:	-40° to 60°C
Weight:	ZD411d: 1.0 kg	Operating Humidity:	10% to 90% non-condensing
	ZD411t: 1.629 kg	Storage Humidity:	5% to 95% non-condensing
